MEMORANDUM

JULY 12, 1973

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT T. KENNEY, DIRECTOR

SUBJECT: WEST END AMENDATORY APPLICATION

The Massachusetts General Hospital has submitted information making it possible for the Authority to claim expenditures of hospitals and educational institutions as non-cash credits to the West End Project. In order to obtain these credits, it will be necessary to submit an Amendatory Application changing the basis on which the project is eligible for Federal assistance from that for a residential project to that for an institutional project, and revising the Project Cost Estimate and Financing Plan to reflect the new credits. No change in Federal Grant or Temporary Loan is entailed.

It is recommended that the Authority adopt the attached Resolution authorizing the filing of an Amendatory Application to accomplish these objectives.
